In accordance with the provisions of HB 61 of the 1982 session of the North Carolina General Assembly and the rules and regulations developed by the office of State Budget and Management, payroll deductions for charitable organizations are permitted by employees who elect to authorize this method for making contributions to the Transylvania County United Way. The minimum amount that can be withheld is \$1.00 and the total amount to be withheld must produce a quotient in total dollars when the total amount to be withheld is divided by the number of payroll periods that deductions are made.
